NEW BOARD MEMBERS!

The American Lineback Cattle Registry would like to congratulate and welcome Ravyn Bashore and Kalli Schwenk of Annville, Pennsylvania, our two newest board members! Both Ravyn and Kalli were previous ALCR junior members, we thank you for your dedication to our breed!

Ravyn Bashore

“Ravyn Bashore is no stranger to the American Lineback, having grown up on her family’s dairy farm, Plenty-Good Dairy, which specialized in breeding and selling Lineback show cattle, bulls, and semen since 2002. Last year, the family farm was transitioned to Swatara Valley Farm under the ownership of her sister; Ravyn has worked full-time on the family farm since graduating in 2021. On the family farm, she handles milking 200+ cows, all the calf care, as well as herd management. Ravyn has a small herd of 11 cows, and 3/4 are Linebacks or of Lineback heritage. She has been active in the Lineback Association since she was old enough to show in 4-H. Ravyn was very active in FFA in high school and served as the 2021-2022 Pennsylvania State FFA Sentinel. Some of Ravyn's hobbies are promoting the dairy industry, trying new recipes, and thrift shopping.”

Kalli Schwenk

“Hello, everyone! My name is Kalli Schwenk, and I am your new ALCR Registrar. I had my first Lineback when I was 7 years old, and have continued breeding them over the past 16 years. I work on my family’s dairy farm, Lyn-She Holsteins, which consists of both Holsteins and Linebacks. Aside from working on the dairy farm, I currently work part-time as a Veterinary Technician. I look forward to working with everyone as we continue to grow and improve the Lineback breed!”

ALCR FEATURED JUNIOR

Brooke and her first Excellent Lineback!

Brooke Mueller

BRODHEAD, WI

Age: 16

How did you get started with the Lineback breed?

“Our friend Harry Weier sold us some lineback semen from his two bulls, Aztek and Apache, and we thought it would be a good idea to add some unique animals to our herd of mainly Holsteins. We had 10 marked bull calves born before we got our first marked lineback heifer.”

What is your favorite thing about breeding Linebacks?

“I like waiting for the calf to be born, because all of their markings are so unique.”

Who is your favorite Lineback cow?

“I’m relatively new to the linebacks, but I’m really looking forward to having our first homebred lineback “Gold Seal Tupac” to calve in!”

Favorite Lineback Memory

“The first show we ever exhibited linebacks at, Green County Dairy Days, our heifer ended up being the Reserve Supreme Junior Champion.”

WE ARE SO PROUD OF ALL OF OUR JUNIORS!
